## **SAVING MORE FOR THE HOLIDAYS:**

We talk a lot about spending less and saving more on our [blog](#)! So it only makes sense, with the holidays upon us, to talk A LOT about saving more money!!

It might seem a little early to start planning for Christmas, but if you want to have a DEBT FREE Christmas you have to start saving now!

Our goal with this worksheet is to show you how to SAVE \$1,000 for the holidays! You'll be able to buy meaningful gifts with the CASH that you've saved.

By following our money-saving chart below you'll be able to:

- Buy meaningful gifts for your family and friends
- You won't use your credit card once this holiday season
- Pay cash for gifts

**Imagine Being Debt Free After The Holidays!**
